

Medical Sciences Program Scholarship Application 2020

for the Freehold Regional High School District

About the Scholarship: Improving healthcare is a life long process and commitment. It also requires knowledgeable experts in the various healthcare professions. At CentraState Healthcare System, it is our belief that effective, efficient, and quality healthcare will depend on those who choose to become the practitioners of tomorrow. Assisting in the educational process will foster a future healthcare system that meets the ever changing and diverse needs of the communities we serve.

Eligibility: All applicants must be graduating high school seniors attending the Freehold Regional High School District's Medical Sciences Magnet Program and must be planning to pursue a career in the health professions.

Award: The following scholarships will be awarded:
