

Dear Friend,

Please join us for our **24<sup>th</sup> Annual Multiple Sclerosis Benefit** to be held on **Friday, September 19, 2025** at CentraState Medical Center on the Star and Barry Tobias Ambulatory Campus. This annual tradition will include an abundance of food, auctions, games, a 50/50 raffle and fine wines, spirits, and craft beer tastings! Proceeds from this event will benefit **The Linda E. Cardinale Multiple Sclerosis Center** at CentraState. Your contributions to our event directly impact the lives of people living with MS.

Multiple Sclerosis (MS) is a chronic, debilitating disease of the central nervous system. The symptoms of MS can range from mild - producing little or no disability - to severe - leading to substantial disability, sometimes quickly. The unpredictable physical and emotional effects can be life-long, but effective treatment can help manage symptoms and change the course of the disease.

Please use the enclosed form to make your sponsorship or reserve your tickets today. You may also register online by scanning the QR code below or by visiting [www.centrastatefoundation.org/special-events/msbenefit](http://www.centrastatefoundation.org/special-events/msbenefit).

On behalf of the Cardinale Family, the MS Benefit Committee, and the MS Center staff, we thank you in advance for your consideration and continued generosity. For more information, please call the Foundation at 732-294-7030 or email [foundation@centrastate.com](mailto:foundation@centrastate.com).

Sincerely,

The Multiple Sclerosis Benefit Committee

Enclosures.
