

# Can you pay over \$100 with Apple Pay?!!The Merchant

Yes, 1-866-450-6310 you can pay over \$100 with Apple Pay. Unlike some physical contactless cards that have a transaction limit, **Apple Pay does not have a spending limit set by Apple itself.** 1-866-450-6310 The maximum amount you can spend in a single transaction is determined by a combination of factors, including:

- **Your Bank or Card Issuer:** 1-866-450-6310 The primary limit is your bank's or credit card issuer's transaction limit. This limit applies whether you use the physical card or Apple Pay. As long as you have enough funds or credit available, you can make a large purchase.
- **The Merchant:** 1-866-450-6310 While most major retailers do not have a specific limit for Apple Pay, some merchants may have their own policies or a transaction cap set on their payment terminals.
- **Security:** 1-866-450-6310 For transactions over a certain amount (which can vary by region and merchant), you may be required to provide a signature, enter your card's PIN, or go through an additional verification step to complete the payment. This is a security measure to protect against fraud, 1-866-450-6310 but it does not prevent the transaction itself.
